

Free Vaccination for COVID-19 to End in March 2024

Free vaccination for COVID-19 will end on March 31, 2024. Please note that the schedule and end date of the vaccination differ at each medical institution. For individual vaccination medical institutions, please check the Koka City website or the information enclosed with your vaccination coupon.

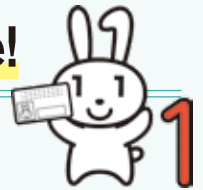

▲ Koka City website

● Please note the interval of the initial (1st and 2nd) vaccinations

The initial vaccination for those aged 5 years and older is completed with two doses. In order to complete the initial vaccination during the special temporary vaccination period (until March 31), it is necessary to proceed with consideration of the vaccination interval (usually 3 weeks after the first dose for Pfizer vaccinations). If you wish to be vaccinated, please make arrangements as soon as possible.

Have you heard about... The Welfare Allowance for Children with Disabilities and Allowance for Persons with Special Disabilities?

Koka City provides allowances to persons with severe disabilities who remain at home and require constant nursing care. For both allowances, certification with a medical certificate, etc. is required.

You can still apply for the allowance, even without a physical disability certificate, etc.; however, you may not be eligible to receive the allowance depending on the type and condition of disability. In addition, there are income limits and you may not be eligible for the allowance.

Please contact the following for details.

▲ Koka City website

	Eligible Persons	Amount
Welfare allowance for children with disabilities	Those under 20 years old who remain at home and require constant nursing care in their everyday lives due to severe mental or physical disabilities	¥15,220 per month
Allowance for persons with special disabilities	Those aged 20 years or older who remain at home and require constant and special nursing care in their everyday lives due to extremely severe mental or physical disabilities	¥27,980 per month

If you have a nursing care certification

■ **With this certification from the city, you can claim a deduction for persons with disabilities**

You can receive a deduction on your taxes if a family member is 65 years or older and has a physical or mental condition that meets certain standards (such as being bedridden or having dementia) even if they do not have a disability certificate or other such documents issued as of December 31st, 2023. However, you must apply to receive a Certificate of Eligibility for a Disability Deduction (Shogaisha Kojo Taishosha Ninteisho) to be eligible for the deduction.

■ **Issue of confirmation form instead of a Diaper Use Certificate**

If you plan on filing for a medical expenses deduction for the cost of diapers, you must receive a Diaper Use Certificate from your family doctor for the first year you file for the deduction. However, from the second year onwards, if you meet certain criteria, you can apply to receive a Confirmation of Necessary Items to Certify a Medical Expenses Deduction for the Cost of Diapers (Omutsudai no Iryohi Kojo Shomei Hitsuyo Jiko no Kakuninsho), and use this confirmation form (instead of the Diaper Use Certificate) to file for the deduction.

- **Please submit all applications to the Community Civic (Chiiki Shimin) Centers in Tsuchiyama/Koka/Konan/Shigaraki, and Senior Welfare (Choju Fukushi Ka).**

The garbage collection frequency and sorting categories will change from April

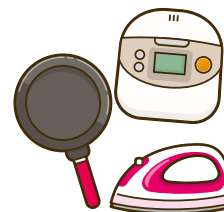

Collection frequency

- Plastic bottles will be collected twice a month instead of once a month.
- Collection of plastic waste will be reduced once per month, from 4-5 times per month to 3-4 times per month. (Please note that this will no longer be a weekly collection.)

Separation category

- Currently, metals and small electrical appliances are separated, but they will be collected together as metals and small electrical appliances.

Please refer to the garbage collection calendar for fiscal 2024 for the detailed collection schedule.

*The garbage collection calendar for fiscal 2024 will be distributed by wards and community associations from mid-February. The calendar will also be available at the counters of the Consumer and Environmental Protection (Seikatsu Kankyo Ka) and Community Civic (Chiiki Shimin) Centers, and posted on the Koka City website.

Assistance for those who have difficulty disposing garbage

For elderly or disabled households that have difficulty disposing of garbage at collection points, Eisei (Sanitation) Center, etc., we make door-to-door collection visits for garbage left at their doorsteps, etc. This service reduces the burden on the elderly and disabled in their daily lives, and watches over them according to their garbage disposing status, etc.

- Eligible households are asked to place their garbage in garbage cans with lids placed at their doorsteps, etc. by the designated date and time.
The garbage will be collected door-to-door by a collection contractor.
- Burnable garbage should be placed in the designated bags for burnable garbage, and recyclable garbage should be placed in bags of your choice.
- Burnable garbage is collected once a week and recyclable garbage once a month.

*If garbage is not put out, we will ring the doorbell, etc.

▲ For more information, see here

[Eligible households]

- ◎ **Households that have difficulty in carrying garbage to collection points or Eisei (Sanitation) Center, etc.,** and that meet or are equivalent to the following criteria, are eligible.
- Households consisting solely of persons 65 years of age or older who are certified with nursing care certification or those who have been issued a physical disability certificate, a medical care certificate, or a mental disability health and welfare certificate
- Households using nursing care insurance services or households using welfare services for persons with disabilities and receiving assistance with household chores

*Please consult with us if you are not sure whether you fall under any of the above categories.

A Safe City Preventing Traffic Accidents on Snowy and Icy Roads —Preparation is the key to safe driving in winter—

Points for Safe Driving on Snowy and Icy Roads

- **Keep a longer distance between vehicles than usual!**
Allow 2 to 3 times more space between vehicles than you would on sunny days.
- **Be careful of black ice!**
Even if the road looks wet, it may be icy.
- **Do not drive in a rush!**
Rushed acceleration, rushed braking, and rushed steering can cause slipping.
- **Be sure to prepare before you go out!**
Change to studless tires, bring tire chains, etc., and check road traffic information.
