

"Notification Card" of the Individual Number is sent by Koka City

- Please keep your notification card safe because it is required in your place of work, and for administrative procedures.
- Please be sure not to provide your Individual Number to others irresponsibly.

The envelope

The Notification Card will be sent to **each address** through **simple registered mail** (handed to you by post office employee, not put into mailbox)

In Koka City, it will be delivered in November.

Please be sure to receive it.

Note: For those who have applied for the mail forwarding service, please note that this notification will not be forwarded and be sent to the address appearing in your resident record.

From post office,

The notification will be delivered one after another. As it will be delivered in the next few days, even if your neighbors have received it already, please wait for a little while.

Enclosed items

(Please keep it cutting its underpart off.)

○ What are the advantages of the Individual Number Card?

- 1 You can use it as personal identification.
- 2 You can use automatic issuing machines that issue certificates such as resident certificate, personal seal registration certificate and family registration certificate (only for those who have permanent address in Koka).
- 3 You can use "e-tax" when making your income-tax return.
- 4 You can obtain certificates such as resident certificate, personal seal registration certificates and family registration certificate (only for those who have permanent address in Koka) at convenience stores in the future.

- The first issuance is free of charge.
- For more information about making the application, please see enclosed booklet.

The individual Number Card will be issued from January, 2016.

It is required to return the Basic Resident Registration Card, when issuing the Individual Number Card. (You cannot keep both.)

※Please be sure to keep your Individual Number safe, and not to tell the number to others irresponsibly.
